Admission Information

CareOne at Jackson's **sub-acute rehabilitation** programs aim at helping patients achieve optimal health, wellness and quality of life. And with an experienced staff and **specialized clinical services** that cater to diverse medical needs, our center assures patients of personalized, supportive and first-rate care. CareOne at Jackson also features a dedicated Harmony Village unit, where residents who have Alzheimer's disease, dementia or other memory conditions receive specialized memory care while living their lives to the fullest.

Our beautifully appointed center includes hotel-style features, relaxing lounge and activity areas, spacious accommodations and fine dining options, among other charming amenities.

Located just off County Line Road, CareOne at Jackson is minutes away from Route 9.

Our Harmony Village offers next generation assisted living for the memory impaired, offers innovative memory-care programs designed to help residents maintain the highest possible quality of life, as well as optimal cognitive and physical functioning. Harmony Village offers 24 hour certified nursing care, on staff dementia specialists, and innovative technology and practices for all residents. We offer a friendly, warm and inviting neighborhood that provides quality care.
